Safety

Safety is our first priority on all *BanffLIFE* trips and courses. Instructors on all trips have appropriate certification and are members of the *Association of Canadian Mountain Guides*. These guides have gone through a rigorous training and certification process to ensure the trip is as safe as possible. Please listen and pay attention to the guides and follow their instructions.

Risk

All hiking, climbing, mountaineering and skiing activities involve some element of risk. You will be required to sign a waiver where you assume that risk, waive your right to sue, and release the guides and *BanffLIFE* of all liability in case of an accident.

A Little about Banff

Welcome to Banff National Park! Established in 1885, Banff is Canada's first and best known national park. It is a part of a UNESCO World Heritage Site that covers 20,000km² of some of the most spectacular and ecologically significant areas in the Canadian Rocky Mountains. From the beginning, Banff National Park has provided inspiration, rejuvenation, and relaxation to millions of people each year. It is a place where residents and visitors can participate in activities that help them understand and respect Canada's natural and cultural heritage. Banff is truly a sacred and special place where the richness of Canada's mountain heritage is respected, experienced and celebrated for all time. As members of the Banff community, you are about to embark on your very own Banff National Park adventure. *BanffLIFE* is happy to be a part of your adventure and we are looking forward to introducing you to your back yard!
