

Proof of Vaccination is Required

We are participating in the Government of Alberta's Restriction Exemption Program, allowing continuation of services without additional restrictions.

To enter, youth and adults (aged 12 years and older) must provide:

- proof of COVID-19 vaccination
or
- proof of negative COVID test result from a privately purchased and administered test within the previous 72 hours
(tests from AHS or Alberta Precision Laboratories no allowed)
or
- documentation of a medical exemption from a registered nurse practitioner, physician or psychologist

Vaccination status required:

- partial vaccination (one dose) accepted September 20 to October 25 if received 2 weeks before current date
- full vaccination (two doses) required after October 25

Documentation for proof of vaccination – any of the following:

- Alberta Health Services vaccination card
- Immunization record provided to individuals at the time of vaccination by clinic or pharmacy
- Digital proof on mobile device provided by provincial health service
- Valid photo identification that matches the vaccine record required for adults 18 and over

**Masks must be worn while entering, leaving,
and moving around in shared space**
