

Nancy Pauw Bridge Official Opening

Help celebrate the opening of the new Bow River crossing for pedestrians, hikers, joggers, cyclists and other wheeled users.

Date: **Tuesday, September 6, 2022**

Time: 1 – 2:30 p.m.

Location: Banff Central Park – Ceremony starts at the Gazebo

Be among the first people to cross the new bridge!

This bridge – made possible through funding from the Wim & Nancy Pauw Foundation, the Government of Canada and the Town of Banff – will provide a convenient, year-round, environmentally friendly route linking the downtown and Central Park areas with the Recreation Grounds and Cave & Basin districts, and expanding the trail network in this UNESCO World Heritage Site. Project details are available at banff.ca/PauwBridge.

The bridge celebrates the legacy of Nancy Pauw and her passionate support of active lifestyles and human-powered adventures, whether cycling, walking, running, climbing, paddling... all made even more special in beautiful Banff.

This bridge will help cut greenhouse gas emissions, maintain our clean mountain air, promote active lifestyles, and improve everyone's transportation experience. The route is expected to see 5,000-8,000 crossings per day during the peak summer period and eliminate over 3,000 vehicle trips.

Help celebrate the bridge, new connections and active lifestyles in Banff.
