Definitions

2 Yard Bins: Existing metal bins used throughout the commercial sector, equivalent to 1529 litres in capacity

Extra Scheduled: If a commercial property calls in advance of the day they require a pick up over and above their scheduled pick-ups, this is the rate applied.

Extra Unscheduled: If a commercial property calls on the same day that they require a pick up over and above their scheduled pick-ups, this is the rate applied. It consists of a flat fee of \$230 to have the truck and staff come to the property and then a per bin fee would be applied for every bin emptied during the stop.
